Science in the News

Directions: Find a news article that relates to science. You can use a newspaper or print an article from the Internet. Make sure it's a current article, not more than one month old, and from a reputable news source. Read the article and answer the questions below. Attach the article to this page. Be prepared to summarize your responses below in class in a two minute presentation.

1. What is your article about?

2. Why did you choose this article?

3. How is the article science related?
